Lighting

Classic LED filament lamps for decorative lighting

Classic filament LED candles and lustres

Featuring a classic heritage design, filament LED candles and lustres combine the familiar shapes of classic incandescent candles or lustres with the benefits of long-lasting LED technology. They deliver beautiful, decorative warm-white light while saving around 90% on energy costs compared with traditional light candles and lustres.

Benefits

- Around 90% energy saving
- Long lifetime that reduces the need for replacement
- Easy replacement of classic conventional lamps

Features

- Heritage design with classic shape
- Designed to be seen, they look good on and off
- Perfect fit and high-quality finishing
- High colour rendering (CRI >80) for vivid colours
- Environmentally friendly: contains no mercury or other hazardous substances

Application

- Perfect for decorative installations
- Domestic applications
- Hospitality: restaurants and hotels
